

America is more than a physical place or a set of beliefs; we are a people with a common history, religion, and identity. Granting foreign aliens "birthright citizenship" undermines our national character and bastardizes what it means to be an American.

Senator Eric Schmitt @SenEricSchmitt · 10h

Today I am chairing a Subcommittee on the Constitution hearing on Birthright Citizenship.

The question we must answer:

...

— SUBCOMMITTEE ON THE CONSTITUTION

Protecting American Citizenship: Birthright Citizenship for Illegal Aliens and Tourists
